2nd and 3rd ports of entry for cruise calls are only to be used if an analysis is being done by individual island and you do not want the count for the Bahamas as a whole. If you want a count for the Bahamas as a whole you must look at 1st port of entry only to avoid double counting.

The figures are preliminary and subject to revision.

2nd and 3rd ports of entry for cruise calls are only to be used if an analysis is being done by individual island and you do not want the count for the Bahamas as a whole. If you want a count for the Bahamas as a whole you must look at 1st port of entry only to avoid double counting.

The figures are preliminary and subject to revision.
